Dear Steven

I have been appointed as the incoming chair of the 30% Club Australia, taking over from Patricia Cross, who was the inaugural Chair. The 30% Club Australia is a leading organisation campaigning for 30% women on ASX 200 boards by the end of 2018. The press release will be released tomorrow and I attach a copy for your information.

As a result of this appointment, I am in the process of reviewing my workload. I will be retiring from the Asialink and Asialink Business Boards and will let you know when my retirement from those boards occur.

Kind regards,

Nicola
